FINAL ENVIRONMENTAL IMPACT STATEMENT

Chapter 5—References

The following references were cited and consulted in the development of the Draft Environmental Impact Statement (DEIS) and carry forward for the Final Environmental Impact Statement (FEIS) for the 185th Street Station Subarea Planned Action. References include printed documents and Internet sources as well as personal communications. Personal communications occurred through phone calls, emails, or in-person meetings documented by notes.

5.2 Personal Communications

City of Shoreline planning and transportation staff. March 11, 2014 – Meeting with city staff regarding proposed analysis methodology.

Clark, Jay. GIS Technician. Administrative Services. City of Shoreline. April 11, 2014 – email GIS data of utilities operating within the City of Shoreline.

Clayton, Eric. Senior OSP Engineer. Integra Telecom. April 16, 2014 – email data from Integra telecom's service network.

Clouse, Denny. Operations Manager. North City Water District. April 10, 2014 – phone conversation regarding North City Water District distribution network and fire flow demands.

Cowan, Matt, Fire Chief. Shoreline Fire Department. April 21, 2014 – Information about Fire Department services.

Derrick, Michael. General Manager. Ronald Wastewater District. October 6, 2014 – interview regarding Draft EIS Report comments at Ronald Wastewater District Office.

Ledford Shawn, Chief of Police. Shoreline Police Department. April 25, 2014 – Information about police services and level of service.

Fallt, Jeremy. Network Engineer. Frontier Communications. April 15, 2014 – email data from Frontier Communications' service network.

Ford, P.E., Jon. Senior Water System Engineer. Seattle Public Utilities. April 15, 2014 & May 14, 2014 – email data from Seattle Public Utilities 2012 ADD Fire Flow in Shoreline: August 30, 2012, and email regarding planned projects related to the subarea.

McConachie, Justin. Puget Sound Energy. May 16, 2014 – email regarding natural gas services and planned PSE projects related to the subarea.

McIntire, Alicia. City of Shoreline. April 23, 2014 – Provision of Point Wells Expanded Traffic Impact Analysis Report.

McIntire, Alicia. City of Shoreline. October 11, 2013 – Provision of Shoreline Traffic Model and related data.

Meredith, Rich. City of Shoreline. April 4, 2014 – Provision of additional Synchro network and traffic counts.

Kirkwood, Rick. City of Shoreline. April 10, 2014 – Information about City staff level per current population.

Pottinger, PE, Dianne. District Manager. North City Water District. October 6, 2014 – interview regarding Draft EIS Report comments at North City Water District Office.

Putnam, Clayton. Planner – GIS/IT Analyst. Planning & Development Department. Ronald Wastewater District. May 9, 2014 – email Ronald Wastewater District GIS Data. May

14, 2014 – phone conversation regarding services and planned projects related to the subarea.

Redinger, Miranda. City of Shoreline. March 7, 2014 – Comments regarding proposed analysis methodology.

Redinger, Miranda. City of Shoreline. May, 2014 – Comments regarding Draft Environmental Impact Statement.

Recology CleanScapes Representative, Shoreline, WA. April 25, 2014 – Procedures for solid waste management and disposal.

Szafran, Steve. City of Shoreline. October 14, 2013 – Comment letter to Sound Transit regarding Lynnwood Link DEIS.
